**CONCEPTUAL**

**PORTAGE LAKE WATERFRONT | HANCOCK, MI**

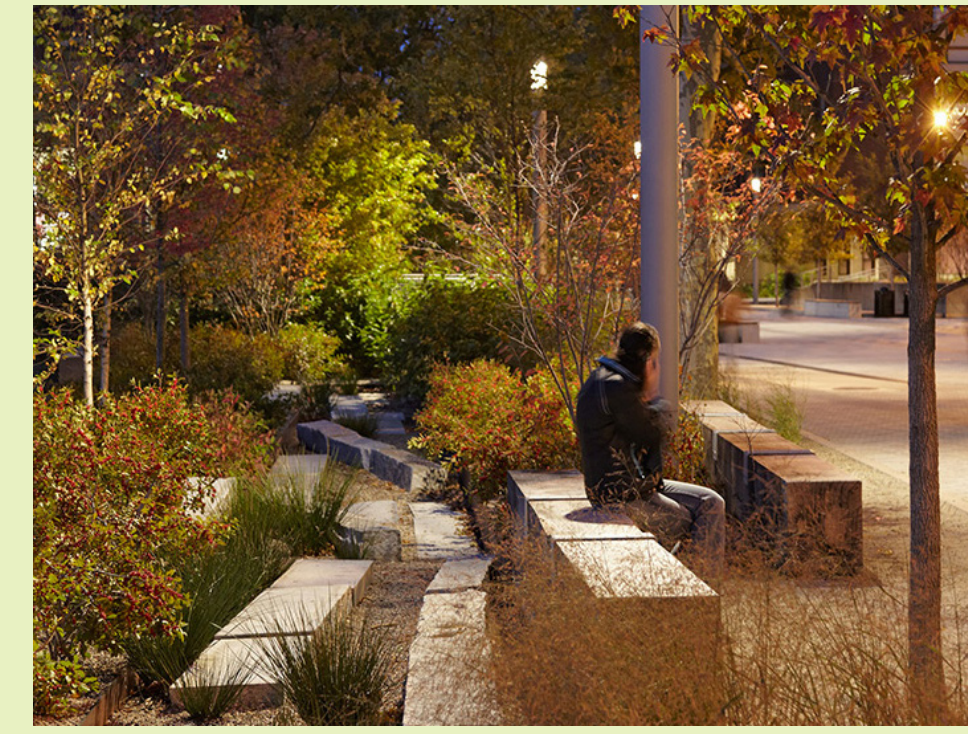

## ARTS & CULTURE DISTRICT

**VISION:** Make connections to Finlandia University, nearby churches, schools and cultural centers, and other arts and cultural related elements within the City. Identify opportunities to create usable artistic and cultural spaces along the waterfront that pay homage to the history, people and culture of Hancock.

## NATURAL DISTRICT

**VISION:** Incorporate sustainable materials and design solutions to develop the waterfront and enhance the natural environment. Utilize existing natural areas to develop a “green corridor” along the waterfront, melding the urban landscape with the natural landscape. Emphasize the importance of native species within the design.

## ACTIVE DISTRICT

**VISION:** Utilize existing amenities and develop new concepts to create opportunities for enjoyment of the four seasons. Create connections and hubs to the numerous local trails, offering biking, walking, snow-shoeing, cross-country skiing and a variety of water related activities.
